Week 1 Results

Predators used their rushing attack led by Raenesha, Hector, and Kevin to scoot just past the Gladiators. Both teams put up a great fight and never quit.

The Regulators led by Gilbert Lopez won a hard fought battle against the Browns. Amiel Suanez played a great defensive game and had key remarkable catches.

The Phoenix used their stingy defense to beat the Dynasty. Kiahuitl K had 2 interceptions. The Dynasty played tough and resilient throughout the whole game and made the coaches proud.
